MEMORANDUM FOR: Chief of Naval Intelligence

SUBJECT : Summaries on CIA Intelligence Reports

REFERENCE : Memorandum, 19 January 1948, from CNI to DCI, Serial #7P32.

1. In reply to your suggestion that intelligence reports and estimates prepared by CIA contain a one-page summary of the contents, instructions have been issued to the producing office in that sense.

2. Hitherto, paragraphs 1 and 2 of the ORE Series, on "Strategic Importance" and "Probable Future Developments", respectively, have been considered to serve in lieu of a separate summary. However, in order to comply with the desires of the Chief of Naval Operations and other senior executives, a separate one-page summary will be placed at the head of all publications of this type.
